loving the least

Spring 2017

"Shani" ("Hello" in Bemba)
from the Chaney's
in Zambia

Everyday is an adventure as we love, serve and disciple these that Jesus loves in Zambia, Africa! Since returning February 28 from our three month home assignment in the states the **CHANEYS** are going forward with renewed passion to complete the construction of the Murundu Hospital of Hope, direct the sustainability efforts and continue managing the orphan/widow and education care. We are reaching out to more villages and see that the needs are great, but our God is bigger and reminds us daily to turn to Him. His heart is compassionate to each, His desire is for relationship and transformation and we are privileged to be part of His great plan here in Africa! We're thankful for those that are partnering with us! **Please pray our focus be for God, family and ministry, in that order.**

There is a story for each person we meet and all are noteworthy, but to relay just one. We met Annie, 40, who was very sick with TB and struggling to have food for her family. You have provided hope by giving medication and food through All God's Children. She is improving daily.

.....has partnered with us again, giving a significant donation to help complete Phase I of the hospital! Construction resumes

in May after rains. We are making a good temporary road to the hospital with machinery loaned from another org here! **Pray we**

God parted the Red Sea for Moses. Sometimes it is with God's hand we make it to the villages in our van! **Please pray for God to provide a truck to help us deliver food to orphans, widows and get materials to the hospital land. \$10,000**

will be operational by early 2018. In the meantime we will continue to love and serve Him as He leads. **Thanks for sharing in His love and vision for the people!**

YOU are the gas that keeps us going! Without you we'd sputter and grind to a **STOP!** ..all too soon!

THANK YOU FOR FUELING US!

BEN STEPHAN joined the team in January 2016. His zeal for Jesus has led him to graduate from the Agape Bible School in Mufulira, Zambia while starting a house church in the nearby village of Minambe. He delivers food to orphans and struggling families, con-

ducts children's church and a youth discipleship/Bible study as well as village outreach through a basketball program he started...and always with that smile the Love of Jesus has planted in Him! **Pray for God's guidance, discernment and wisdom as he pours the Gospel of Christ into many lives!**

ROBBIE COOPER lives to glorify the Lord Jesus by serving the poor and hurting, the Gospel of Jesus at the forefront of his ministry. Born in Romania as a Hungarian Gypsy, adopted and raised in the US in a Christian home, he now lives and ministers in Haiti after traveling there four times. He is serving with Much Ministries there. God is leading Robbie to Romania in June to minister in an orphanage there...prepared by God from birth.

Please pray for him to discern and understand God's will at this pivotal time as well as finances to walk out all that He calls him to do.

LIINA PEETERS arrived in Zambia March, 2017 from Estonia. The love of Jesus is evident at once as she loves and nurtures the children, helps feed and care for the elderly and along with Rachel, Leah, Melinda and Lucy is encouraging girls, ages 10-20 to lead a life pursuing and following God.

Pray for Liina to continue to grow in her faith as she serves the suffering.

AGC supports **PASTOR JOHN CHANDRAN** in Southern India. He is referred to as the "rural and slum servant of Lord Jesus". Despite persecution

by Hindu extremists God is using him to care for countless village churches, orphans, street children, widows and disabled. In spite of extreme poverty he prays for God's protection and blessings on US! **Their needs are many.**

In addition he requests prayer that the church remains strong in their faith and living witness.

How **YOU** can make a difference...most importantly...

PRAY....PRAY....PRAY!

Pray...

That we depend on God alone to direct us and provide all we need to follow His direction. That more people would join us financially and by going to bring healing and hope to these that God loves.
